

# 2017 NCU Mini-workshop on Recent Advances in Gravitation

8 April 2017

Center for Mathematics and Theoretical Physics 數學與理論物理中心 (S4-208),  
Department of Physics, National Central University

## **Program**

11:00 - 12:00 James M. Nester (National Central University)

An alternative formulation

12:00 - 13:30 GSROC meeting (with lunch boxes)

13:30 - 14:30 Otto Kong (National Central University)

A First Look at the Quantum Physical Space(time) and a Mathematical  
Picture of The Quantum Relativity Program

14:30 - 15:30 Hoi-Lai Yu (Academia Sinica)

Issues with current understanding of Inflationary models

15:30 - 16:00 coffee break

16:00 - 18:00 Open Discussion
